aim of the subject

This course aims to improve the student's sight reading, analysis and score reading skills, allowing for better and more efficient ways to quickly learn and internalize new repertoire.

content

This course provides the tools necessary for effective comprehension and execution of written music for singers and voice pedagogy students.

learning outcomes

Upon completion of the course the student will:

Be able to sight sing tonal music using solfege syllables.

Be able to sing together with others.

assessment

Grading is on a pass/fail basis.

assessment criteria

In order to pass, the following is required:

Accuracy of sight singing, rhythm and intonation.

Proficiency in following neighbouring voices.

Ability to perform a cappella music.
